

EVQ Scrappy Rail Fence-- EASY

Quilt Size: 47" X 56" Child/small Lap size

Quilt Block: 9"

Blocks Needed: 30

Fabric: Assorted scraps or strips at least 2 ½", 3 ½" & 4 ½" wide, about 10" long. You will need one strip of each width per block. Sort scraps by color families and pair up a light, medium & dark, one of each width. If you have longer strips, you can sew one of each width together in a strip set, again using a light, medium, & dark of one color family.

Border: Need 1/4 - 1/3 yard. 6 WOF strips at 1 ½" wide. You will need to piece strips together to form long enough border strips.

Blocks: If using scrap lengths, sew one light, medium & dark length, making sure one is 2 ½" wide, another 3 ½" & the 3rd is 4 ½" wide. Trim block to 9 ½" square.

If using strip sets, cut into 9 ½" squares. You need varying numbers of blocks in each color family to achieve the layout shown: 3 blocks each of 2 colorways, 7 blocks each of 2 colorways & 10 blocks of another colorway.

Assembly: Lay blocks out to form above pattern. Alternate orientation of strips horizontal & vertical as shown. Sew blocks in each row together, pressing seams to right in Rows 1,3,5 and to left in Rows 2,4,6 so seams will nest when you next sew each row to the next.

Border: Measure quilt lengthwise through the middle and cut 2 border pieces. Sew on either side of quilt. Then measure width of quilt through the middle and cut the 2 remaining border pieces and sew to top & bottom. Press well & it's done!

NOTE: This pattern can be easily made larger or smaller.

Comfort/Baby: 4 X 4 blocks = 50" X 50"

Lap: 6 X 7 blocks with border increased to 3" = 60" X 69"

Twin: 6 X 9 blocks with border increased to 3" = 60" X 87"

NOTE: This pattern can also be made with 12" finished blocks by using 3 ½", 4 ½" & 5 ½" wide strips that are at least 12 ½" long. So dig into your scraps & reduce your stash!
