

## May is a fabric exchange!

Hi EVQ members lets make some wild and crazy friendships with our stars! **For the month of May** cut out four (4) 7"x 9" pieces of modern colorful print fabric for each block you intend to make. Bring only three (3) pieces 7"x 9" of that fabric **per block** to the May guild meeting. If you are making two (2) challenge blocks then you can bring six (6) pieces of the same fabric 7" x 9" and so on for additional blocks. For the **May guild meeting pin these blocks to your left shoulder** when you see other members who are participating introduce yourselves and make a fabric exchange of one (1) 7"x 9" per block. When you get the new fabrics pin them to your right shoulder indicating the fabrics you intend to keep. If by chance you are unable to make it to the May guild meeting and would like to participate in making this block please do but you will need four different modern print fabrics for each block you make. Questions give us a call!

**Use 100% cotton fabric and sew with 1/4" seams.**

Cut one each from four different colorful modern prints 5 3/4" x 7 3/4"

From solid black cut (4) four 3" x 3" squares

From white or white on white cut (1) one 3" x 3" squares

Draw a diagonal line on each of the four 3" x 3" black squares

Place the 3' X 3" black square on the top left side of each of the modern prints as pictured and sew on the diagonal line and trim.

Fold white 3'X 3" square in half and finger press to mark the center (line represents pressed mark of fabric) sew from pressed line in the center to the edge of fabric on on of section A and press open.

## Wild Friendship Star

12 1/2" Unfinished Block

Sew next section (A) with right sides facing to sewn edge and stitch all the way down as pictured. Section A should hang over 1/4" on bottom edge.

Sew the last remaining section A to the block then sew the remaining seam from the first section sewn. Trim 1/4" extended edges to give you a 12 1/2" unfinished block.
