Double Dutch

Use 100% cotton fabric and 1/4" seams

You can make these squares from start to finish in 30 minutes! All you need is a 3" strip of each fabric at least 24" long.

FABRIC COLOR SELECTION

LIGHT – Choose a white or white-on-white

DARK – Choose solids or small prints that read as solids.

FABRIC REQUIREMENTS

To make 1 block you will need:

- (2) Rectangles 3" x 7-1/2" Light
- (2) Rectangles 3" x 7-1/2" Dark

- (2) Rectangles 2-1/2" x 3" Light
- (2) Rectangles 2-1/2" x 3" Dark

- (1) square 2-1/2" x 2-1/2" Light
- (1) square 2-1/2" x 2-1/2" Dark

CONSTRUCTING THE BLOCKS

Square #1 - Sew the 2 DARK small 2-1/2" x 3" rectangles to either side of the LIGHT contrasting 2-1/2" center square. Then sew the DARK 7-1/2" x 3" rectangles to the top and bottom of the center strip.

Square #2 – is the exact reverse of the above – placing the DARK square in the center and surrounding it with the LIGHT fabric. Diagram A

9-3/4" Unfinished Block

Cut each block diagonally as red line indicates.

Diagram B

Rearrange triangle units from the previous step diagram B into the following formation. Sew and press seams.
